COLOUR RANGE

12mm

SCHEMATIC

Each planter is filled with production off-cuts of shredded Ecoutex™, enhancing acoustic performance while championing Ecousta's no-waste policy. Crafted from 12mm Ecoutex™ acoustic felt, these planters are available in 37 colours and various sizes, adding a bold design statement to any space while improving acoustics and promoting wellbeing.

Sustainably made with at least 75% recycled PET, Ecousta planters are moisture-resistant, versatile, and designed to accommodate both living and artificial plants. They're the perfect solution for dividing spaces and fostering a deeper connection to nature.
