

CONTOUR 3D

TUSCAN

The Tuscan 3D panel features pipes of PET morticed onto a backing plate to create rolling curves and deep voids within each panel offering superb diffusion and absorption

The range features a variety of shapes to offer individual finished feature walls which are easy to adopt in any environment needing reverberation control.

Tuscan offers a beautiful solution to noisy environments, creating memorable, yet tranquil interiors. Made from 75% recycled Ecousta Ecoutex felt.
